Dear Commissioners:

We have performed an internal audit of the Statement of Cash Receipts and Disbursements, and the Statement of Balance Outstanding, of the Eldred Township Tax Collector, Helen A. Mackes, for the period January 1, 2013 to January 14, 2014. The financial statements are the responsibility of the Tax Collector. Our responsibility is limited to the internal audit testing identified in the Scope of Internal Audit below.

As described in Note 3, the Tax Collector prepares its financial statements on the cash basis which is a comprehensive basis of accounting other than generally accepted accounting principles.

SCOPE OF INTERNAL AUDIT

- Agree the Statement of Cash Receipts and Disbursements, and the Statement of Balance Outstanding, of the Tax Collector for the period January 1, 2013 to January 14, 2014 to the books of record of the Tax Collector.

- Audit collections and remittances of real estate taxes.

- Document and review the system used by the Tax Collector to account for the collection and disbursement of real estate taxes.

- Confirmation of the uncollected balance of real estate taxes.

- Review compliance with the Pennsylvania *Tax Collectors Manual* for the collection and disbursement of real estate taxes.

- Reconcile the tax duplicate.

CONCLUSIONS

Based upon the results of our internal audit, the Tax Collector has remitted Monroe County real estate tax collections to the Treasurer of the County of Monroe. The Tax Collector complied with the Pennsylvania *Tax Collectors Manual* of the County of Monroe that pertains to the collection of county real estate taxes in all material respects.

ELDRED TOWNSHIP TAX COLLECTOR
HELEN A. MACKES
FOR THE PERIOD JANUARY 1, 2013 TO JANUARY 14, 2014

NOTES TO THE FINANCIAL STATEMENTS

Note 1 – Reporting Entity

The county-related activities of the Tax Collector is an operation, which is included in the entity of Monroe County (the "County"), the primary government. As such, all results of the County- related operations of the Tax Collector are reported in the accounts of the County operations.

Note 2 – Scope of the Examination

The scope of our audit did not include a sufficient examination with respect to the financial statements and records for the preceding period to enable us to, and we do not, express an opinion on the consistency of application of accounting principles for the prior period.

The Tax Collector is responsible for collecting various local taxes, as well as County real estate taxes and library taxes for the County library system. Our audit pertained only to the examination of real estate taxes and did not include a sufficient examination with respect to the overall function of the Tax Collector to enable us to, and we do not, express an opinion on the Tax Collector as a whole.

NOTE: Township, Library and County taxes are invoiced and usually paid at the same time. Therefore a County finding may correlate to a Township and Library finding.

This report pertains to the tax year which runs from January 1, 2013 to December 31, 2013. The Tax Collector's collections and disbursements for this tax year run from January 1, 2013 to January 14, 2014.

Note 3 – Summary of Significant Accounting Policies

Basis of Accounting – The books and records of the Tax Collector for County real estate taxes are maintained on the cash basis of accounting and, therefore, the financial statements presented herein do not purport to present the results of operations in conformity with generally accepted accounting principles.

Receipts, which include discounted, base, and penalized real estate taxes and interim real estate taxes, are recorded when received. Disbursements are recorded when they are actually paid. As previously stated, the cash basis of accounting differs from generally accepted accounting principles. Under generally accepted accounting principles, revenues are recognized in the period earned, and expenditures are recognized in the period incurred, which gives effect to accounts receivable, accounts payable and accrued items.

ELDRED TOWNSHIP TAX COLLECTOR
HELEN A. MACKES
FOR THE PERIOD JANUARY 1, 2013 TO JANUARY 14, 2014

NOTES TO THE FINANCIAL STATEMENTS

Note 3 – Summary of Significant Accounting Policies (continued)

Basis of Presentation - The Monroe County Controller's Office uses the Statement of Cash Receipts and Disbursements and the Statement of Balance Outstanding to report the activities and balance outstanding of tax collector's County-related activities. These statements represent the collection of County tax monies as well as acknowledge receipt of the collections by the County and represent the balance of assessed taxes remaining to be collected for the tax year. These statements are not intended to present either financial results of operations or financial position in accordance with generally accepted accounting principles.

Note 4 – Receipts and Disbursements

Receipts are comprised of collections of taxpayer monies for the period audited.

Disbursements are comprised of remittances to the county of collected taxpayer monies.

Note 5 – Balance Due

This balance represents receipts collected by the tax collector but not yet disbursed to the County as of the end of the audit period. This is due primarily to timing differences between cash receipts and subsequent remittance to the County.

NOTE: A small miscellaneous difference may be noted in the Balance Due line which is usually the result of rounding errors.

Note 6 – Total Amount Available for Collection (Face)

This balance represents the adjusted balance of taxes which the tax collector has been authorized to collect for the tax year, as of the end of the audit period. It is the result of the original tax established for the year (duplicate), adjusted for additions, refunds or exonerations, as authorized by the County.

Monroe County Board of Commissioners
One Quaker Plaza
Stroudsburg, PA 18360

Dear Board of Commissioners:

We have performed an audit of the Eldred Township Tax Collector for the period January 1, 2013 to January 14, 2014 and have issued our report thereon dated November 24, 2014. In planning and performing our audit we considered the Tax Collector's internal control structure in order to determine the extent of our internal auditing procedures and not to provide assurance on the internal control structure.

During our audit, we noted no matters involving the internal control structure, compliance with the Pennsylvania Tax Collectors Manual and other operational matters.

We would like to note that at the end of this reporting period (January 1, 2013 to January 14, 2014) there was an unreconciled bank balance of $916.20. The unreconciled balance is a cumulative total from 2008. The Tax Collector is aware of this balance and will continue to work towards the disbursement of the same.

This report is intended for the information and use of the Eldred Township Tax Collector, the Monroe County Controller's Office and the Monroe County Board of Commissioners. However, public policy dictates that this report is a matter of public record, and its distribution is not limited.
