

Monroe County PA  
Municipal Primary 2023  
Write-In Result Tally

For each contest, a table containing rows and column has been built. Each contest contains rows described as follows:

**Unassigned Votes:** This row is designated by “Write-in Votes reviewed but not assigned to a candidate” and indicates that the Write-In vote was either <Blank> or <Not a Name>.

**Scattered Votes:** This row is designated by “SCATTERED” and indicates that there were less than (3) of the same name written for that Contest.

All other rows are designated with the Candidates Name and Write-In Vote counts for that Contest.

All rows are totaled and broken down by Precinct as well.
