If you have a permanent illness or a permanent disability you may be added to the annual absentee request list. Once your physician signs the certification of permanent disability and your request is approved, you will automatically receive ballots for the remainder of the year, and you will receive an application to renew your request for absentee ballots each year.

If you update your voter registration due to relocation out of county after you submit an annual absentee ballot request, please ensure your annual status is transferred when updating your address.

## Assistance in voting:

If you require assistance with completing your ballot due to a disability, you must also complete a Statement of Absentee Elector Requiring Assistance form. Please visit [www.vote.pa.gov](http://www.vote.pa.gov) for more information.

**WARNING:** If you receive an absentee ballot and return your voted ballot by the deadline, you may not vote at your polling place on election day. If you are unable to return your voted absentee ballot by the deadline, you may only vote a provisional ballot at your polling place on election day, unless you surrender your absentee ballot and the return envelope containing the Voter's Declaration to the judge of elections to be voided to vote by regular ballot.
