

EXHIBIT E.1

CAPTAIN Client Release

What is CAPTAIN?

CAPTAIN is an information system used by social and human service agencies to connect people and services in Monroe County. These agencies also use CAPTAIN to track how well our programs work. This is vital to get program funding, identify unfilled needs, and plan for new services.

How will CAPTAIN help me?

The CAPTAIN system will work with other agencies to find, coordinate and evaluate the services that you need. By allowing social and human service agencies to share your information with other agencies using CAPTAIN, you make it easier for social and human service agencies to better help you to get and keep the services that you need. This will also reduce the number of times you will be asked to give your personal information.

How will my information be kept safe?

Each person and agency that is authorized to see or enter information into CAPTAIN has signed an agreement to maintain the security and confidentiality of your information (similar to HIPAA at your physician's office). Any person or agency that is found to violate this agreement may lose their access rights and may face penalties including legal action.

By signing this form I know that:

- I consent to have information in CAPTAIN about me and any of my dependents I list on this form.
- My information will not be made public. It will only be used with strict confidentiality.
- I can ask for a list of all other agencies that use CAPTAIN.
- My information will be combined with other participants in reports for federal/state/county governments. My identity will not be revealed in these reports.
- Other agencies that use CAPTAIN have signed agreements to protect my information in a secure and confidential way (as mandated by Federal & State laws).
- By signing this form, it does not guarantee that I will get help. If I decide not to sign this form, it will affect my opportunity to get help.
- This authorization is valid for five (5) years unless I cancel it in writing.
 - I may take away this consent at any time by going back to the agency named on this form.
 - I will have to sign "Client Revocation of Consent to Release Information" form.
 - If I cancel my consent, it will not affect any information that has already been shared in CAPTAIN.
- I will receive a copy of this form
