

MONROE COUNTY COVID-19 COUNTY RELIEF BLOCK GRANT

Your entity has been awarded a grant through Monroe County's COVID-19 County Relief Block Grant Program. A portion of the Award covers incurred costs and/or for lost revenue up through the time you submitted your grant application. However, you have also requested funding for future costs. This program operates on a reimbursement basis. Therefore, you will receive a check for the amount that has been supported with paid invoices or documentation of your decline in revenue, while the amount awarded for future projects/costs will be paid to you upon receipt of satisfactory documentation that your entity has incurred the cost.

Once you have incurred these future costs, send the required documentation supporting the costs to MCCARES@Monroecountypa.gov. Please put "Documentation for Approved Project Costs" in the subject line of the email so that your email is directed to the appropriate location.

Thank you.
