The first round of funding through the Monroe County COVID-19 County Relief Block Grant is wrapping up, with over 150 businesses and community entities qualifying for grant awards. There is still money available for those businesses, municipal and nonprofit organizations in Monroe County that were negatively impacted by the pandemic. Your organization may qualify for a grant (not a loan) if it suffered a loss of revenue or if it incurred additional expense in making changes to protect staff, customers, or clients from COVID-19.

Grants are available to

- Municipalities
- Tourism businesses
- Small businesses
- Nonprofit organizations

Grant applications are available on the Monroe County web site (www.MonroeCountyPa.gov). Select the application form that most closely describes your organization, complete the form, supply the requested information, and submit via email to MCcares@monroecountypa.gov. Submissions will also be accepted via mail or drop off to the Monroe County Commissioners' Office, 1 Quaker Plaza, Room 201, Stroudsburg, PA 18360.

Completed applications and supporting materials must be received by the close of business October 9, 2020.
