2. **Three (3) un-staple copies and a USB/Flash Drive of the proposal** if available shall be placed in an envelope sealed and plainly marked **"BIDS FOR No. 2 FUEL OIL"** and must be received by the Office of the Controller no later than 1:30PM on October 26, 2027. Bids will be opened publicly that same day in the Commissioners' Public Meeting Room, Room 203, Monroe County Administrative Center, One Quaker Plaza, Stroudsburg, PA beginning at 2:00 PM.

3. All bids shall meet the detailed specifications. The successful bidder must also provide a certificate of insurance that provides proof of General Liability, Property Damage, Workmen's Compensation and Auto Insurance that lists Monroe County as a Certificate Holder and Additional Insured.

4. Deliveries shall be arranged by the successful bidder **ON AN AGREED DAY SCHEDULE FOR ALL LOCATIONS,** and each delivery shall be accompanied by a metered delivery ticket.

5. The fuel oil to be supplied shall meet a quality analysis, and it shall be manufactured in a refinery by a qualitative controlled machine process.

6. The contract shall be from January 1, 2027, through December 31, 2027.

7. The bidders shall list the prices of Fuel Oil per gallon for each location according to the alternates listed below using the options proposed: Fixed price per gallon, Fluctuating Price per gallon, and a Fluctuating Price per gallon w/20% cap in amount of fluctuation.

ALTERNATE #1 - Fixed Price per Gallon

If awarded a bid for a "Fixed Price per Gallon", the successful bidder shall furnish No. 2 Fuel Oil to the County for the term of the contract at the fixed price per gallon as proposed and accepted by the County.

ALTERNATE #2 – Fluctuating Price per Gallon

If awarded a bid for a rate per gallon that fluctuates based on current market prices, the successful bidder shall agree to increase or decrease the price per gallon for the locations awarded by same amount as any increase or decrease in the cost from their supplier. For any increase to the cost per gallon under this proposal, the successful bidder shall automatically provide proof of same to the County before payment of invoices will be processed reflecting any increase to the cost per gallon can be processed. The amount of the mark-up per gallon originally proposed shall remain the same throughout the term of the contract.

8. It shall be understood and agreed that quantities listed in the specifications are estimates only and may have to be increased or decreased in accordance with the actual requirements of the County. It is further understood that payment will be made only for the quantity actually received.

9. The successful bidder must be able to provide twenty-four (24) hour emergency delivery service upon request by the County.

10. The successful bidder agrees to indemnify and save harmless the County of Monroe, its representative, employees, and agents, from all claims, demands, actions suits and liabilities arising from the contractor's own fault or negligence or through the negligence or fault of the manufacturer of oil supplied by the contractor. This obligation shall extend to and include all litigation costs and reasonable attorney fees incurred by the County in response to such claims, demands, actions, or liabilities, provided it is ultimately determined that such claims result from the contractor's or manufacturer's fault or negligence.

11. The successful bidder shall not assign or otherwise transfer any of its responsibilities or obligations under the contract to any other person or entity without prior written consent of the County.

12. The vendor that is awarded the contract must provide a W-9 to Monroe County, prior to payment.

13. After the proposal is accepted and notification of same is transmitted to the successful bidder in writing, it shall be understood that a binding agreement exists for the contract period specified.

14. **Bid Security and Performance Bond are not required for this bid.**
