

RESOURCE CONSERVATION SPECIALIST – MONROE COUNTY CONSERVATION DISTRICT

Monroe County Conservation District (MCCD) is currently accepting applications for the full-time position of Resource Conservation Specialist. An employee in this position will educate and assist the agricultural community in the area of farm conservation and nutrient management planning, ensuring members of the agricultural community understand the purpose and importance of implementing conservation practices that protect and enhance our soil and water resources. The successful candidate will be required to assist in the administration of the Agricultural Conservation Assistance Program (ACAP), perform site inspections, provide technical assistance, and actively engage in education and outreach programs for the agricultural community, site representatives and the public. The successful candidate must be a team player with excellent written and verbal communication skills, a motivated self-starter, able to work independently, and have a passion for conservation and resource protection.

County salary and comprehensive benefits package. Qualified applicants should send an application and resume to: Human Resources Director, 1 Quaker Plaza, Room 202, Stroudsburg, PA 18360. Direct questions to District Manager, Kristina Heaney, at 570-629-3060. We are an Equal Opportunity Employer M/F/H/V. If special accommodations are needed, please notify the Human Resources Office at (570) 517-3115.
