**Retired and Senior Volunteer
Program of Monroe County**

Help tackle our community's most pressing needs

RSVP is a nationwide volunteer program that invites adults 55 and over to use their life experience and skills to answer the call of their neighbors in need. Our goal is to keep seniors active and thriving while serving others. Volunteers choose the service opportunities that fit their passions, goals, and lifestyles. Currently, RSVP partners with 80+ organizations throughout Monroe County. RSVP services help allow seniors to live safely and independently in their own homes as well as help serve our community's most vulnerable members.
